

How to Vote in Alabama and Make It Count

The Presidential General Election is Tuesday. Here is what you should do now to vote and make sure it counts.

✱ **If you are voting at the polls on Nov. 3, find your polling place at:**

<https://myinfo.alabamavotes.gov/voterview> Enter your name (exactly as you registered to vote) and date of birth. If you are voting at the polls, your vote will count ONLY if you vote at that location. **Don't assume you know your polling place. It can change!**

✱ **If you go to the polls to vote on Nov. 3, bring valid photo voter ID.** A valid Alabama driver's license or valid Alabama non-driver ID is acceptable, but there are other forms of acceptable ID. See the list at: <https://www.sos.alabama.gov/alabama-votes/voter/voter-id>

✱ **If you have your absentee ballot, you can personally hand-deliver it to your county Absentee Election Manager (usually your county Circuit Clerk) until noon on Monday, Nov. 2. You can only turn in your own ballot.** You cannot deliver a ballot for someone else. Because it is so close to the election and your ballot may not arrive in time, **we do NOT recommend that you mail your absentee ballot at this time.** Find the physical address of your county Absentee Election Manager here: <https://www.sos.alabama.gov/city-county-lookup/absentee-election-manager>
(It is too late in Alabama to apply for an absentee ballot for the Nov. 3 election.)

✱ **If you mailed in your absentee ballot, do not assume that your ballot was received and counted. Check to see if your ballot was received and counted** by going to: <https://myinfo.alabamavotes.gov/voterview> and enter your name (exactly as you registered to vote) and date of birth.

✱ **If you voted absentee but your ballot was NOT received and counted, go to your polling place on Nov. 3 and tell the poll worker that your absentee ballot was not received and that you want to vote a provisional ballot.**

✱ **Learn about the candidates and the six state-wide constitutional amendment proposals on your ballot and get more answers to your election questions at VOTE411.ORG.** There are many state and local candidates "down ballot". Be informed when you go to the polls!

✱ **If you want to report a problem at the polls or have questions about your voting experience on election day, call the Election Protection Hotline:**
